Kerry: I went to the meeting today. Kent Rena and Jessica were there as well. It was quite a group. We did vote to have CCA officially oppose AB608 and to for CA to urge/recommend L A City Council to form a council homeless task force with stakeholders also at the table. Don't know where that will go but Greg Spiegel from the Mayor's office spoke, and heard a lot from various people. Peter Lynn didn't make it. Sara Hernandez from Huizar's office was there and I thought quite articulate about the issue.

Veterans will start getting more housing in about 2 years at the Westwood VA. 300 or units – relatively few, but a start.

Bottom line everyone agrees it is a countywide even really statewide issue; city county other small cities and neighborhoods providers and stakeholders all need to start coordinating and working together.

If Kent or Jessica wants to add anything please do.

I'll be on the call in the a.m.

Best Lauren
